CURRICULUM VITAE Charles A. Brock

Research Physicist, NOAA Chemical Sciences Laboratory 325 Broadway R/CSD2, Boulder, CO 80305

charles.a.brock@noaa.gov

EDUCATION:

Ph.D. 1990, Atmospheric Science, University of Washington, USA B.S. 1985, Atmospheric Sciences, University of California at Davis, USA

EXPERIENCE:

Research Physicist, Chemical Sciences Division, NOAA Earth System Research Laboratory, 2005-Present. Aerosol emission, transformation, and transport in the troposphere and stratosphere; aerosol--climate interactions, development of instruments for measuring aerosol optical and physical properties. Measurements during the TexAQS 2006, ARCPAC 2008, CalNex 2010, DC3 2012, SENEX 2013, SEAC4RS 2013, SONGNEX 2015, ATom, and FIREX-AQ 2020 field programs on NOAA and NASA aircraft. Co-PI of the NOAA ARCPAC 2008 field program.

Research Scientist III, Cooperative Institute for Research in Environmental Sciences, University of Colorado, Boulder, 2000-2005.

Research Associate Professor, Department of Mechanical Engineering, University of Denver, 1994-1999

Postdoctoral Research Associate, Department of Mechanical Engineering, University of Denver, 1990-1993

AWARDS AND HONORS:

2012 – Colorado Governor's Award for High-Impact Research

2010 - U.S. Dept. of Commerce Bronze Medal Award

2005 – NOAA Outstanding Publication Award

2003 – NOAA Outstanding Publication Award

PROFESSIONAL SOCIETIES, COMMITTEES, AND BOARDS:

Member of the American Geophysical Union Member of the NASA Tropospheric Airborne Measurement Evaluation Panel Chair of the NSF Observing Facilities Assessment Panel

SELECTED PUBLICATIONS:
